Reflection - Moments of death & resurrection

As we go through life we all experience little deaths.
We get a foretaste of death when we live
in bitterness, loneliness, sadness and despair.
In times like these the world closes in on us,
and we seem to have one foot in the grave.
But we also experience little resurrections.
When we know love, acceptance and forgiveness;
when we open our hearts to others and to life,
the world opens up and we emerge from the tomb.
Lord, may the splendour of your resurrection
scatter the shadows of death,
and enable us to walk in radiant hope
towards the kingdom where there are
no more shattered hopes or broken dreams.

***We would like to wish you and your families a very
Happy Easter.***

May the Risen Christ bring new life to all the people of our parish.
